This is to confirm that the International Cup Kids Playing for Kids is organizing the 14th edition of their soccer tournament to benefit the Montreal Children's Hospital Foundation. The event will take place during the month of September.

The proceeds will be allocated to the *Healthy Kids Fund*, which supports the care and treatment of children wherever the need is most urgent and immediate.

We have approved the use of The Montreal Children's Hospital Foundation name and logo in promoting this event and would very much appreciate your contribution. We are grateful to have ICKPK in the Children's large circle of friends and volunteers.

If you need further information, please do not hesitate to contact Alessia Di Giorgio, Advisor, Special Events and Community Relations, at (514) 934-4846, ext. 29237 or by e-mail at adig@mchf.com.

Yours sincerely,

Alessia A. Di Giorgio
